STEM Career and Resource Fair Agenda

Brian Thomas will be the Facilitator for the evening.

Event check-in will open at 4:15 pm and close at 5:30 pm.

4:30–7:00 p.m.	Event Check-in
4:30–5:30 p.m.	Join representatives from along the STEM spectrum! Meet employers with internship and career opportunities, as well as programs for graduates and undergraduates interested in taking their education to the next level.
5:30–6:30 p.m.	Professional Dress for STEM Success This fashion show will prepare students with tips for interviewing with confidence, how to make a first impression in the lab or at the office, and how to dress business casual for social events or work functions with work colleagues outside the office. Professional Tips provided to prepare students for all occasions!
6:30–6:50 p.m.	STEM Professional Networking: How to make every encounter count! Brian Thomas will lead the attendees through speed networking sessions and provide insight on how to make those valuable minutes count when trying to make a lasting impression.
6:50–7:00 p.m.	Closing Announcements <i>Dr. Wayne Hilson, Jr., IN LSAMP Co-PI</i>
