

## Sample Text and Emails for IN LSAMP Student Call Out

### Lopez sample email

Hi First Name Last Name,

You've been specifically recommended for the Sophomore Internship Program for Fall 2019. We are looking for students that want to get **CAREER EXPERIENCE AND GET PAID!** Due to you being a part of Diverse Enrich Achieve and are a Herron Art Undergraduate major/minor, you are eligible for this program. There are only 9 days left to apply!

Think you're not qualified? *Employers are part of our program because they want sophomore students.*  
Think you're not prepared? *We will provide you the preparation you need to be successful.*  
Never had an internship? *Most of the students entering our program have never had an internship before. We will provide the support you need to get started now.*

**TIME COMMITMENT:** Fall semester, 10-15 hours per week

**WHO CAN APPLY:** Students from every major (max of 59 credits at the start of Fall Semester). Apply by March 29, 2019 for Fall consideration.

**PAY:** \$15/hour

Check our website for more information and the application [HERE!](#)

List of employers and job descriptions listed [HERE](#).

P.S. If you are receiving this email and will **not** be a sophomore during the fall 2019 semester, please disregard this email. Sorry, this is not the program for you but please check out your Career Services office for other internship opportunities.

--

Best,

### Jorge L. Lopez

Graduate Assistant - Sophomore Internship Program Coordinator

Graduate Assistant - Norman Brown Diversity & Leadership Scholars Program

1) Dear \_\_\_\_\_,

There is a great program on campus that allows you to be involved in fun activities, and gain valuable research experience in your STEM major.

If you want to learn more about this program so you, too, can get involved, have fun and gain experience then come out this Wednesday, February 13, 2019 at 5:30 pm in CP 144 to the Peer Mentor

Program and Summer Research informational. This will be a good opportunity to come out and meet others in your field and get connected.

See you there!

2) Dear \_\_\_\_\_,

This is a quick reminder about the meeting TODAY to learn about the IN-LSAMP Program on campus. It is a great program on campus that allows you to be involved in fun activities, and gain valuable research experience in your STEM major.

WHEN: TODAY, 5:30 pm in CP 144 to the Peer Mentor Program and Summer Research informational.

Hope to see you there!
