

### **1:15 – 2:45 pm Alliance Management: Methodologies to Manage Complex Initiatives**

*Presenter: Gary Maixner*

In this hands-on workshop, participants will explore the basic concepts of project management, including definitions, methodologies, and tools. An introduction to Bonfire Methodology, a brief demo of a work breakdown structure tool and walkthrough will be provided. After the presentation, participants will spend time working together to write project charters for projects at their alliance. Participants should bring a device to help with the exercise and an idea of a complex project they wish to work on.

**Goal:**

- Identify opportunities for applying solutions to breakdown large projects into manageable components
- Identify techniques that enhance collaborative work among teams working on complex initiatives
- Develop strategies that create buy-in among virtual teams

### **3:00 pm WebAMP: Collaborating to Create Processes to Improve Consistency in Data Collection**

*Presenters: Andrea Ingle & TBA*

During this workshop, a brief presentation will cover WebAMP data collection requirements. Reports will be shared with the group on how IU is tracking LSAMP students and their outcomes. Then lead Q&A on ways collaboration with institutional data offices can generate reports that improve consistency and data collection over the life of an award.

**Goal:**

- Review job aids created to increase accuracy in data reporting for WebAMP across institutions
- Discuss what reports institutions are creating in order to track LSAMP students and outcomes
- Identify opportunities for sharing collaborative work at the institution level

### **3:45 pm Connect with an Alliance Mentor**

*Presenter: Michelle Quirke (IN LSAMP)*

In this hands-on workshop, participants will revisit connections from the day and identify mentors or mentoring opportunities. #Ihavementored #Ifoundamentor #Mymentor #Phoneafriend #LSAMPNetwork2019

**Goal:**

- Make connections across alliances
- Identify opportunities for sharing collaborative work with other LSAMP alliances
- Build your support network

**4:00 – 4:45 pm**

**Ask an Expert**

Presenters from the day will be available for one-on-one conversation, connection and Q&A

**5:00 – 6:00 pm**

**LSAMP Program Poster Session**

**Clearwater Hallway**

This session will display LSAMP programs and allow attendees to ask questions.

All LSAMP alliances are invited to submit a program poster for this session. Guidelines and details available shortly. Conference attendees are encouraged to attend.
